How well do I know about plants, how they work and how to care for them?

My understanding of plants	I am not confident	I am sometimes confident	I am very confident
I can identify the different parts of a plant and explain how they work.			
I can observe plants in a skillful way.			
I am curious about plants and I also ask questions about plants.			
I know how to look after and take care of plants both at home and in other places.			
This is what I can do to improve my understanding of plants:
