OPTIONS FOR PRIMARY AND SECONDARY EDUCATION

- Single Educator License
- School License
- District/State License

All of the VoiceThread K-12 Products use **Ed.VoiceThread**, our secure and accountable environment found at ed.voicethread.com. It's a web-based communications network built specifically for K-12 Students and Educators. The following licenses provide access to this network.

We've compiled a list of sources for research analyzing how VoiceThread's platform is used to meet a wide range of pedagogical goals and learning styles.

Third-party research on VoiceThread in K-12

Ask us a question ?

Single Educator License

An introductory license for the first educator using VoiceThread at your school.

School License

Allow educators and students at your school to use VoiceThread.

District/State License

Allow all educators and students in your district or state to use VoiceThread.

THEY ARE NOT FREE

OPTIONS FOR TERTIARY EDUCATION

- Department License
- Site License

VoiceThread bridges the gap between real-time discussions and standard video lectures or online presentations. This makes VoiceThread the platform for teaching, learning, training, and collaborating, on-demand.

The following premium accounts are built for Higher Ed:

We've compiled a list of sources for research analyzing how VoiceThread's platform is used to meet 21st century teaching and learning goals.
